

Labor Day Weekend: 5 Year Old Gains Access

We are saddened by the tragic loss of a young child in Fort Worth this weekend. Our thoughts are with the family and all those affected.

This heartbreaking event reminds us why secure firearm storage is so important in protecting children and preventing injury.

Click picture for story details

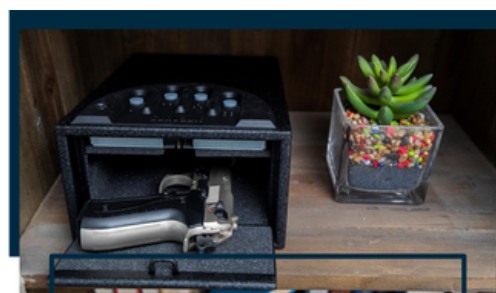

If you or anyone you know needs cable locks and/or safe storage collateral please don't hesitate to contact Harley Roden (harley.roden@cookchildrens.org)

Train - The - Trainer

We recently welcomed **six new Aim for Safety Ambassadors** through our Train-the-Trainer program.

These dedicated volunteers will help share safe firearm storage education in their communities to prevent injuries and save lives.

[Ambassadors, keep the momentum going by sharing resources and starting conversations that make a difference.](#)

About

Please join us for our next Train-the-Trainer session. This training will equip you with the knowledge and toolkit to help further our mission of promoting and educating the community on safe gun storage. Seating is limited.

Premier Gun Show Appreciation

Thank you to everyone who volunteered at the Fort Worth Premier Gun Show! Your time, enthusiasm, and dedication helped us share important firearm safety information with families across our community. We truly could not do this work without our volunteers, and we are grateful for your support and commitment to keeping kids safe.

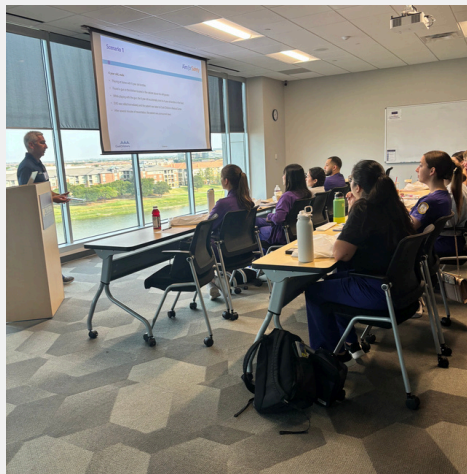

Gun Safety Awareness Month: Turning Awareness Into Action

Throughout Gun Safety Awareness Month, the Aim for Safety program strengthened its commitment to firearm injury prevention through community education, strategic partnerships, and public awareness efforts across North Texas.

Highlights from the Month

- Educated families and community members through firearm safety presentations at schools and community organizations.
- Partnered with local organizations and youth programs to promote responsible firearm ownership and secure storage.
- Supported local proclamations recognizing Gun Safety Awareness Month and elevating awareness across the region. **Cities include: Denton, Alvarado, Prosper, and Fort Worth**

Together, we're creating safer homes and safer communities.

The Challenge

Texas HB 3 requires school districts to share firearm safety information with families three times each year.

We encourage Action Team members to reach out to their local school districts and school boards to ensure these letters are being distributed and to recommend including the Aim for Safety website as a resource for families.

A simple email or conversation can help connect more parents with lifesaving safe storage information.

Want to Volunteer? Sign Up Now!

As mentioned in our Action Team meeting, we have a new process for signing up to volunteer at events.

This list has all topic areas (Gun Safety, Poison Prevention, Safe Baby Sleep, Drowning Prevention, and Vehicle Safety).

Click [HERE](#) to go to the Injury Prevention Sign Up Genius.

This will have current and upcoming events for you to sign up if you are interested.

Save The Date:

Save the date! We are planning a big event to recognize YOU, our partners!

December 10, we hope to see you at Hurst Conference Center in Hurst, TX, from 12-1:30.
